#### Vespertilionidae

Tri-colored Bat	<i>Perimyotis subflavus</i>	Confirmed
Little Brown Bat	<i>Myotis lucifugus</i>	Confirmed
Indiana Bat	<i>Myotis sodalis</i>	Confirmed (NYS Nature Explorer)
Long-eared Bat	<i>Myotis septentrionalis</i>	Confirmed (NYS Nature Explorer)
Small-footed Bat?	<i>Myotis leibii</i>	Within range, but not confirmed
Hoary Bat	<i>Aeorestes cinereus</i>	Confirmed
Eastern Red Bat	<i>Lasiurus borealis</i>	Confirmed
Silver-haired Bat	<i>Lasionycteris noctivagans</i>	Confirmed
Big Brown Bat	<i>Eptesicus fuscus</i>	Confirmed

### Insectivora

#### Soricidae

Short-tailed Shrew	<i>Blarina brevicauda</i>	Confirmed
Masked Shrew	<i>Sorex cinereus</i>	Confirmed
Smoky Shrew	<i>Sorex fumeus</i>	Confirmed
Water Shrew	<i>Sorex palustris</i>	not definitive - we are within range, and we once saw suspicious tracks along a stream

#### Talpidae

Hairy-tailed Mole	<i>Parascalops breweri</i>	Confirmed
Eastern Mole?	<i>Scalopus aquaticus</i>	Within range, but not confirmed
Star-nosed Mole	<i>Condylura cristata</i>	Confirmed

### Carnivora

#### Ursidae

Black Bear	<i>Ursus americanus</i>	Confirmed
------------	-------------------------	-----------

#### Canidae

Timber Wolf	<i>Canis lupus</i>	historical records
Coyote	<i>Canis latrans</i>	Confirmed
Red Fox	<i>Vulpes vulpes</i>	Confirmed
Grey Fox	<i>Urocyon ciner</i>	Confirmed

#### Felidae

Bobcat	<i>Lynx rufus</i>	Confirmed
Mountain Lion	<i>Puma concolor</i>	likely sightings of occasional individuals, no indication of resident population

Mustelidae

Short-tailed Weasel	<i>Mustela erminea</i>	Confirmed
Long-tailed Weasel	<i>Mustela frenata</i>	Confirmed
Mink	<i>Neovison vison</i>	Confirmed
Fisher	<i>Pekania pennanti</i>	Confirmed
Pine Marten	<i>Martes americana</i>	likely present historically, possible more recent sightings; likely not currently breeding in the County.
River Otter	<i>Lontra canadensis</i>	Confirmed

Mephitidae

Striped Skunk	<i>Mephites mephites</i>	Confirmed
---------------	--------------------------	-----------

Phocidae

Harbor Seal	<i>Phoca vitulina</i>	Possible, but not confirmed; only occasional if at all in Hudson River part of county.
-------------	-----------------------	--

**Rodentia**

Erethizontidae

Porcupine	<i>Erethizon dorsatum</i>	Confirmed
-----------	---------------------------	-----------

Sciuridae

Eastern Chipmunk	<i>Tamias striatus</i>	Confirmed
Red Squirrel	<i>Tamiasciurus hudsonicus</i>	Confirmed
Grey Squirrel	<i>Sciurus carolinensis</i>	Confirmed
Southern Flying Squirrel	<i>Glaucomys volans</i>	Confirmed
Northern Flying Squirrel	<i>Glaucomys sabrinus</i>	Within range but not confirmed
Ground Hog	<i>Marmota monax</i>	Confirmed

Muridae

House Mouse	<i>Mus musculus</i>	Confirmed
Black Rat	<i>Rattus rattus</i>	Very likely, Rattus sp. Present, not native
Norway Rat	<i>Rattus norvegicus</i>	Very likely, Rattus sp. Present, not native

Zapodidae

Woodland Jumping Mouse	<i>Napaeozapus insignis</i>	Confirmed
Meadow Jumping Mouse	<i>Zapus hudsonius</i>	Confirmed

Cricetidae

Deer Mouse	<i>Peromyscus maniculatus</i>	Very likely, Peromyscus present
White-footed Mouse	<i>Peromyscus leucopus</i>	Very likely, Peromyscus present
Meadow Vole	<i>Microtus pennsylvanicus</i>	Confirmed
Pine Vole	<i>Microtus pinetorum</i>	Very likely
Bog Lemming	<i>Synaptomys cooperi</i>	Within range but not confirmed
Muskrat	<i>Ondatra zibethicus</i>	Confirmed
Red-backed Vole	<i>Clethrionomys gapperi</i>	Very likely

Castoridae

Beaver *Castor canadensis* Confirmed

**Lagomorpha**

Leporidae

Snowshoe Hare *Lepus americanus* confirmed, but not certain if currently still in county

New England Cottontail *Sylvilagus transitionalis* Confirmed

Eastern Cottontail *Sylvilagus floridanus* Confirmed

**Artiodactyla**

Cervidae

Moose *Alces alces* Confirmed sightings of at least passing individual, breeding status not clear

White-tailed Deer *Odocoileus virginianus* Confirmed sightings of at least passing individual, breeding status not clear
